I WAS THERE

GAS STREET CHURCH
BIRMINGHAM, UK

WELCOME TO THE CONFERENCE!

We're so delighted you are here!

Today is a special day where we get to worship God together, grow in our faith, and to be equipped to make a difference in our churches and communities. We pray that you will meet with God whether you are 7, 37 or 77!

Our theme for this year is 'I Was There' - exploring how children and young people have always been a key part of God's great story. Every generation has a part to play!

We'll join together for two main sessions and enjoy different seminar streams in between. Everything you need to know for the day is on these pages, but do ask one of our team if you are unsure!
